ASK A LAWYER

Can a physician be held liable in selecting a consultant for a patient? 17
In a medical malpractice action, may a physician raise the issue of contributory negligence by a patient as an affirmative defense? 17
Is a physician liable for the acts of a nurse working under the physician's supervion? 17
Can a retired physician who is interested in volunteering time and expertise at a medical clinic obtain low cost medical malpractice insurance? 45
What are the major changes affecting physicians in Nebraska's new birth certificate law (LB886)? 66
What is the new law regarding sex change? 66
What should a physician expect from an insurance company when sued for professional malpractice? 84
What is the National Practitioner Data Bank? 125
What is the rule regarding physician waiver of Medicare deductibles and copayments? 149
May a physician regularly waive insurance copayments? 149
Who owns medical records? 149
Do HMOs, PPOs and other managed care programs report physician status to the National Practitioner Data Bank? 179
In a physician state licensure discipline proceeding, what are the respective roles of the Attorney General, the Board of Examiners in Medicine and Surgery, and the Department of Health? 179
What is the Nebraska Certificate of Need ("CON") law? 277
What limitations are placed on a physician who wishes to prescribe a drug to herself/himself or to prescribe a drug to her/his spouse or child? 293
What is the purpose and intent of the Childhood Vaccine Act? 293
In the June 1995 Nebraska Medical Journal "Ask A Lawyer" column, the position of the American Medical Association with respect to physician's ownership of medical records was stated and that "On request of the patient a physician shall provide a copy or summary of the record to the patient. . ." It was also mentioned that several states have enacted statutes in this regard. Has Nebraska enacted such a statute and, if not, what is the law in Nebraska? 316
What about providing just a "summary" of the records to the patient? 316
Are there any exceptions to releasing records to patients? 316
Must a physician obtain a patient's consent prior to to the administration of a test for the human immunodeficiency virus (HIV)? 336
How may a physician participate with the Nebraska Department of Health to provide vaccine under the Childhood Vaccine Act? 336
What are the duties of a physician when a patient (principal) has appointed a health care power of attorney (attorney in fact)? 357
